Fall 2010 Edition

A Note from our Director of Sunday School, Harry Cordier

We at Edgewood hope that those not involved in a Bible Study Class on Sunday Mornings at 9:15 can find a place where they can learn more about God's Word and have Christian Fellowship with other members of our Sunday School classes. Read the following information about each class and see if there is a class that you would like to be a part of. Feel free to try more than one class before you decide which class you would like to attend. Classes are offered for all age groups, Bed Babies through Senior Adults.

A Note from our Preschool Director, Muriel Morris

In the preschool department, we learn about Jesus, the Creation, our Community and the World. We learn to play together and share with each other. We learn to listen and pray. The most important thing that we learn is how much God loves us.

A Note from our Adult Sunday School Director, Carol Brown

Edgewood has many adult groups meeting at 9:15 every Sunday morning. These groups are led by excellent facilitators with many years of teaching and leading experience. The Bible is our essential handbook as God uses His word to help us evaluate our present condition and discover ways to improve our spiritual health.

Spiritual health demands an integrated balance of connecting, growing, serving and going.

Connect - a healthy Christian connects with God in prayer and worship, relates to others in positive relationships and connects to the church.

Grow - a healthy Christian develops an increased understanding of God through His word.

Serve - a healthy Christian devotes time, talent, and treasure to help other Christians in Christ church.

Go - Every Christian is called by Christ to go outside His church walls and tell others about Him. Evangelism and missions are ways to go in the name of Christ.

We urge everyone who attends worship at Edgewood to join our Bible study at 9:15 every Sunday. Remember we grow by relationships. This is your time to be present and to invite your friends to keep EBC on the move for Christ. If you are not a member of any group or if you would like to try a different group, today is the perfect time to join us. Let's all renew our focus and purpose of our Bible study groups and partner with God to bring people to Him.

Do you know what you believe and why? This fall our class will complete a study in apologetics (making a defense or making a case for the Christian faith). I Peter 3:15 tells us "Be ready to give a defense to anyone who ask you for a reason for the hope that is in you." In September, we focus on being ready to explain and defend our belief about God. In October, we will learn why Jesus is the only way. In November, we will reaffirm that the life Jesus gives us is abundantly rich and full as we stay connected to one another through the church and know the joy and responsibility of sharing the gospel with all people everywhere. We will look for your every Sunday this fall as we learn what we believe and why and how to be ready to explain and defend our beliefs about God, Jesus and His Church.

Class: Ladies (55 / Up) - Door open to anyone, any age.

Room: Fidelis - 127

Teacher: Katherine Daulton

Psalm 19:7—The law of the Lord is perfect, reviving the soul.
Proverbs 11:25—...he who refreshes others will himself be refreshed.
These two verses characterize the Fidelis class. Come refill your vessel each week through studying God's word and the Life Ventures curriculum with us. Our class cares for its members, its church family and the larger community. In the words of the author, Barbara Johnson, "I think that's the secret to being a real friend—to always be looking for ways to encourage and refresh others." Our goal is to praise Jesus, our Lord and Savior, and give him all honor and glory as we learn more about Him.
